Principal's Message

I am very proud to be the Principal of Cleethorpes Academy. We provide high academic standards where every child is supported to achieve their potential.

Our pastoral care, which supports both the physical and emotional welfare of each child, is central to our philosophy. We are committed to developing each student by improving resilience, confidence and independence. We offer a wide range of extracurricular opportunities and we aim to prepare students to become responsible active citizens for the future.

Our Values

Cleethorpes Academy is committed to ensuring every student fulfils their full potential. Each child is treated as an individual and offered a high level of support and guidance during their time at the Academy.

We are determined to provide the best possible education for all our young people. With our care and guidance, high quality teaching and educational outcomes we will build a school that students, parents and the local community can be proud of.

Curriculum

Cleethorpes Academy students enjoy a broad and balanced curriculum that provides them with the skills they need for adult life.

Timetables will be made up of an exciting range of subjects that develop your child's interests and abilities. Alongside the traditional subject areas, students are offered enrichment opportunities to develop their skills for life.

Assessment

The Academy take a holistic approach to assessment. Student's work and effort in the classroom is continuously reviewed and shared with Parent/ Carers.

Each student receives three reports over the academic year. These reports comment on their progress and attainment, behaviour, homework and classwork. Student's strengths are shared as well as opportunities for development.

Reception

Pastoral Care

Cleethorpes Academy has a very strong sense of community and this is supported with a House system. The three Houses are called Capella, Rigel and Sirius and are led by a Head of House. Every student is placed into a House when they join the Academy.

We have a vertical tutor system which means that each tutor group will have a selection of students from each year. Every student has daily contact with their tutor and regular House and year assemblies to support their emotional and well-being needs. Students are rewarded for their efforts, whether in sport, music, reading or in the community.

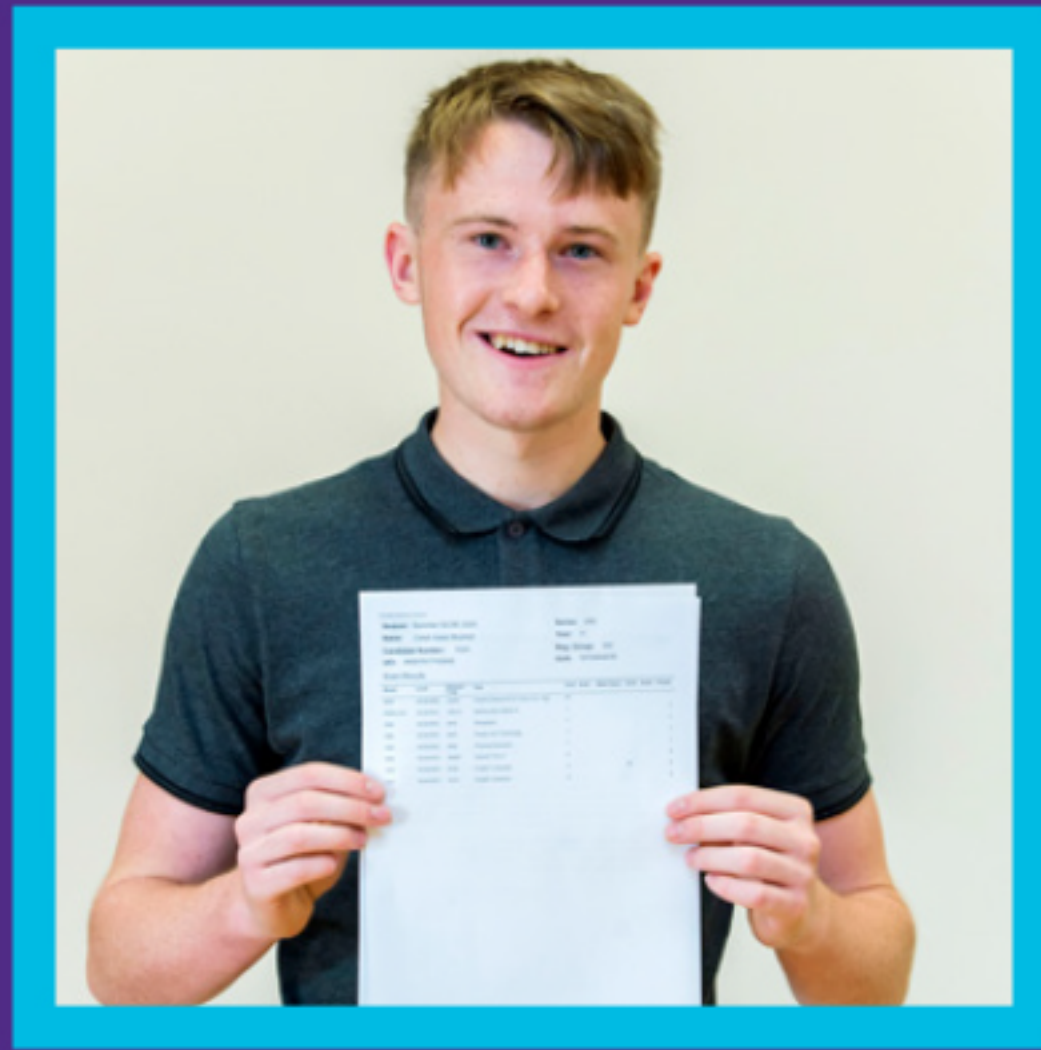

Extra-Curricular

Cleethorpes Academy offers an extensive extra-curricular programme that students can enjoy. Learning does not stop in the classroom and the benefits of offering such a large range of extra-curricular activities enhances the opportunities available to the students.

The Academy offers music tuition through highly qualified and experienced instructors. The very successful Physical Education Department run a dedicated sports programme. In addition to this trips and visits are ran outside of the Academy, these include visits to PGL, Yorkshire Sculpture Park and Holderness coast to name but a few.
